Dear Mr. Rosen:

Grant MacEwan University and the School of Business are proud to have been your partner in hosting the celebration of women of leadership on September 9, 2009, at the Fairmont Hotel Macdonald, relating to Alberta's "Famous Five". When education, the arts, science and technology, business and government work together to develop the amazing potential of the citizens of Alberta and Canada, we are building a society that is well prepared for the global challenges of the 21st century.

The event filled the room with over one hundred guests, all outstanding leaders who have and continue to contribute so much to the growth of this province. Their presence celebrated the internationally recognized Alberta artist, Barbara Paterson, *five* successful and diverse female business students from MacEwan, and the Famous Five Alberta women who won the **Women are Persons** case eighty years ago.

Let me take this opportunity to thank you for City Lumber's generous gift of the "Women are Persons" bronze sculpture to the MacEwan School of Business in honour of your mother, Zita Rosen. Thank you for your strong commitment to education, the arts and business working together in partnership to build a vibrant and dynamic Alberta. Your initiative, *An Evening of Inspiration* called on each of us to use our energy, passion and strengths to challenge ourselves, and through our contributions, change the world in which we live.

Sincerely yours,

Elsie Elford, Dean
MacEwan School of Business
